Hotel Profile

The journey through scenery composed of long stretches of lush, verdant vegetation and undulating rice and grain fields on both sides of Provincial Highway 1 on the way to the hotel is reminiscent of a corporate legend in the rice industry: Yeedon. The hotel is the pearl of central Taiwan which stands majestically next to the Douliu baseball stadium. It is also one of the most amazing sights on the journey through the Yunchia plain.

Excellent food

Great flavors through local ingredients with a long history

Travelers love to explore unique local flavors at each destination. Yunlin is the agricultural capital of Taiwan, while Yeedon is the leading rice brand and a household name in Taiwan. We have made a deep and extraordinary commitment to serving Western and Chinese delicacies with rich, simple, and elegant flavors and pure and delicate tastes to win the hearts of our guests.

Excellent accommodation

Sweet slumber in a luxurious and romantic ambience

The architectural design of the hotel was inspired by ancient rice cultivation culture. It resembles a golden rice plant swaying in the breeze. The elegant, romantic, luxurious, and stylish ambience inside the hotel exhibits rich and diverse spatial design aesthetics. The 226 high-standard guest rooms are equipped with large vista windows offering unobstructed panoramic views. Guests can enjoy a quality slumber in this urban paradise.

Excellent recreation

Safe haven and palace settling the body and mind

Sun Hao Hotel features top-notch hardware facilities and rich natural resources. The gym and outdoor swimming pool are surrounded by the chirping of birds, a clear breeze, and bright moon. Guests also get a glimpse of the beauty of local culture and traditions, which creates bright memory highlights of their travel itineraries.

Setting a new benchmark of supreme hotel services in Yunlin

Sun Hao International Hotel, the only five-star standard hotel in the Yunlin area, is located adjacent to the Douliu baseball stadium in Douliu City. It offers panoramic views, a graceful environment, and convenient traffic connections, representing an ideal choice for visitors to central Taiwan

The architectural design of the hotel was inspired by ancient rice cultivation culture. It resembles a golden rice plant swaying in the breeze. The elegant and stylish European-style ambience fused with sophistication, luxury, coziness, and brightness exhibits rich and diverse spatial design aesthetics.

Sun Hao Hotel features 226 high-standard comfortable guest rooms, banquet venues that can accommodate 150 tables, multi-functional meeting rooms, and various facilities such as a business center, gym, outdoor swimming pool, steam room, and sauna. Dining services are provided in the Chinese cuisine banquet hall, Rice Pearl Buffet Restaurant, and Rando Restaurant. The hotel can satisfy a wide range of demands from wedding banquets to travel & vacation.

Sun Hao International Hotel utilizes top-notch hardware facilities to generate an omni-purpose vacation center which is matchless in central Taiwan. Through the strengthening of service capabilities and by embracing the core corporate value of “dedicated services” , the hotel has rapidly turned into a top-rated hotel and new landmark in the Yunlin-Chiayi region, providing an extraordinary and supreme accommodation experience for business and leisure travelers alike. An unforgettable travel experience is constituted through an appreciation of the beauty of Yunlin culture and traditions and top-quality services of international caliber.

Corporate background

The Sun Hao paragon is deeply rooted in people’ s hearts

Yeedon rice evokes childhood memories for many Taiwanese citizens. When visitors slowly chew this sweetish-tasting rice which is grown in an ideal environment surrounded by lush hills with a copious water supply, they get a glimpse of the sincere, diligent, and genuine nature of the Taiwanese people.

The core values of Sun Hao International Hotel encompass an even wider range of dimensions and connotations. Based on ancestral training, the hotel has made a firm commitment to providing guests with a flawless travel experience through top-quality offerings in the areas of service, ingredients, facilities, accommodation, dining, and hospitality. Every dimension is infused with the Sun Hao spirit of ultimate dedication. The blissful and multi-faceted hotel is created through multiple service layers.

Spanning two generations over a period of 30 years, the Sun Hao spirit and its connotations are characterized by increasing profoundness as well as brand concern, innovation, and diversity in sync with the times. The rich harvest of corporate nutrients has ushered in a new blissful age of top-quality food, services, and accommodation.
